☐ * I am aware that the personal data of all members are maintained and stored in the club's member directory.

☐ I agree that the club, in connection with the purpose of the club, club advertising, and events stipulated in the bylaws, may publish personal data and photos of me in club publications (including the website), use them for club purposes, and may transmit them to print and other media. This consent particularly applies to the following publications: contact details of club officials, exhibition results, reports on honors, and birthdays. The publications may include photos, the name, club affiliation, role in the club, the breed of the animals kept, and the placement in competitions.

I am aware that I can object at any time to the board regarding the publication of individual photos and personal data. In this case, the transmission/publication will be immediately stopped for the future. Photos and data already published on the club's website will then be removed immediately.
